

CALL FOR ACTION!

CALL FOR ACTION!

If you find the proposed electoral boundaries

- splits a local community/residential area into two (2) or more,
- are drawn across highways or main roads,
- crosses natural boundaries such as hills and rivers,
- results in more ADUNs than Mps,
- makes you live under a different local authority or share a local authority with people from a different constituency

THEN

1. Mobilise your family and friends who live in the same constituency to create a support group
2. Be alert on the notices issued by the EC for your constituency
3. Spread awareness of irregularities or unfair delineation. Pass copies of #SekolahAktivisme's comics, stickers, or memorandums or even this Call For Action sheets around!
4. Gather 100 or more signatures of residents objecting to the boundaries proposed and submit it to the EC within the 30 day deadline
